

Thank you for choosing to use these copywork pages with your child. In this copywork pack you will find The Pledge of Allegiance, The Star Spangled Banner, America the Beautiful, My Country 'Tis of Thee, The Preamble to the Constitution, and God Bless America. Each page is typed clearly for your beginning reader/writer to easily follow and has ruled lines directly underneath to easily copy. Please print these pages out for your child to write on.

This copywork (labeled Beginner) is ideal for any child who is just learning to write or who is not ready to move to writing on smaller lines. These lines are about 5/8th inch tall with a mid-line to help your child position his letters correctly.

These pages are perfect to go along with your American History studies, patriotic holiday studies, or just for extra handwriting practice. They will be especially beneficial if you intend to have your child memorize any of these pieces. Simply have them copy the stanza or phrase you are memorizing that day.

Copywork is a fantastic way to help your child master reading, penmanship, grammar, and spelling all at the same time simply and subtly. I hope you and your child enjoy using this book together!
